SOLDIER HUSBAND OF CENTERVILL GIRL CALLED BY DEATH

News was received here of the death of Sgt. Charles T. Parks, 25, of the Field Artillery in Alaska, following an attack of appendicitis. He was the husband of Jean Coit Parks, daughter of George Coit. The wedding took place last January.

Sergeant Parks was the son of Mr. and Mrs. Harrold I. Parks of Saltville, Virginia, and is survived also by five brothers and sisters. He had been in Alaska about four months and a recent letter to his wife gave no intimation of illness.

The body will be interred in Alaska for the duration, according to military orders. Mrs. Parks is recovering from the shock of her husbands death and will return to her secretarial position in San Francisco.

* * *

SINCLAIR BROTHERS SERVING IN HAWAII

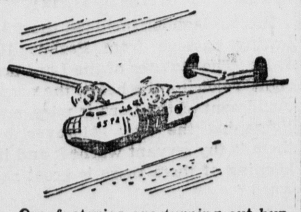
Sergeant JAMES SINCLAIR, son of Mr. and Mrs. William Sinclair, of Irvington, is stationed in the Hawaiian Islands. He has been in the service since February 21, 1941, and arrived in the Islands on December 21, 1941.

TOM SINCLAIR, another son of Mr. and Mrs. Sinclair, is a second-class fireman at a submarine base machine shop in the Hawaiian Islands. He served six months on a submarine and was in the battles of the Coral Sea and Midway, his submarine accounting for two Jap ships sunk. He was injured at Midway and was hospitalized for some time.

James and Tom Sinclair are so stationed that they are able to spend quite a lot of time together.

What You Buy With WAR BONDS

At Midway, in the Coral Sea and from General MacArthur's headquarters in Australia, the Navy patrol bombers are searching out enemy bases, ships and transports and "completing their mission." The Navy Patrol Bomber costs about $750,000.



Our factories are turning out hundreds of these bombing ships. Yet it is only through your investment in War Bonds and Stamps you can do your share to help provide patrol bombers for our rapidly increasing air force. Invest at least ten percent of your income every payday in these Government securities and do your bit to win and shorten the war. Our airmen are depending on your help.

U. S. Treasury Department

FORMER CENTERVILLE MAN JOINS SEA BEES

CENTERVILLE — George Robinson of Oakland, formerly of Centerville, will leave early in November for a six weeks training course as a petty officer with the Sea Bees at Davisville, R.I. He enlisted in the Navy several weeks ago and has been classified as a second class electrician's mate. Following completion of his training he expects to be stationed outside this country.

Robinson attended both Stanford and the University of California and has had previous sea-going assignments with trans-oceanic steamship lines.

His wife, Dorothy, will continue her position in the personnel department of the Pacific Telephone and Telegraph Company, in Oakland.

* * *

THREE YOUTHS LEAVE FOR NAVY STATION

Three Washington Township boys left last week for an eight-week's stay at a U.S. Naval Reserves training cramp in Idaho. They are all graduates of the Washington Union High School with the class of last June.

The boys are Howard Alves, son of Fire Chief and Mrs. A. M. Alves of Niles; Weldon Pine, son of Mr. and Mrs. John Pine of Niles; and Jack Dutra, son of Mr. and Mrs. John Dutra of Centerville.

Also leaving as a Naval Reserve last week was Frank Sanchez, son of Mr. and Mrs. Teleforo Sanchez of Decoto.

KEEP 'EM WRITING!

The following welcome letter was received this week from a Townshp soldier in Alaska, by your editor.

Oct. 17, 1942
Alaska

Dear Editor;

Received your Township Register paper today; Sept. 11, 1942 and was most pleased to receive it. ....I'm in Alaska, and working with the Army Intelligence Dept. and enjoy my work very much. I can thank the Washington Union Hi School and staff for the training in art work for my job in this Dept.

Yours,
P.F.C. Donald Dias
3rd. Btn. H.Q. 37th. Infantry
APO No. 939, c/o Postmaster,
Seattle, Washington.

P. S. Mail is our greatest reward, so, "Keep them Writing"

ENJOYS REGISTER

Mrs. Beatrice Fournier of Niles received word last week from her son ROBERT L. JACKSON, who is now a 3rd class petty officer in the Navy. Young Jackson writes that he is well and happy and wishes the same to his many friends at Niles. He enjoys reading The Township Register very much and would be pleased to hear from any who care to write him addressed to Coxswain Robert L. Jackson, U.S.N. Air Station, Kodiak, Alaska.

* * *

Sailor DOUGLAS CAYARD passed his exams at the Great Lakes, Illinois training station and is now a gunner's mate. He has 16 weeks more training to take before he will be assigned to duty.

Word has been received at Niles from Yoeman LOUIS LORENSEN that he has been sent from San Diego to a training school at Boston Mass.

FRED WILSON, who works for Contractor E. E .Dias at Niles, was inducted into service this Thursday.

AL GEORGE of Irvington and TONY ALONZO of Centerville are in San Diego at present for preliminary training with the U.S. Navy after leaving last Thursday

A Halloween Dance was held for the high school students at the high school last Friday nigt.

ONE HUNDRED PERSONS OFFER THEIR BLOOD TO OUR COUNTRY TODAY AT MEMORIAL BUILDING

By Gladys Williamson

The first visit of the Oakland Red Cross blood procurement mobile unit will be made to Washington Township today, Nov. 6, with headquarters at the Veterans Memorial Building at Niles.

One hundred donors have enlisted for today's contribution to the life-saving program of the American Red Cross among casualties of our armed services. Additional donors, 100 each time, will give a pint of blood each on the following dates: December 4, Jan. 15, Feb. 5, March 5, April 2, May 7, June 4. San Francisco's quota of blood plasma units is 2800 per week and Oakland's, 500 per week.

Residents of the township who have not already signed up as donors are asked to do so immediately with the following town chairmen: Alvarado — Mrs. Blake Hill; Alviso, Mrs. Elsie Madruga; Centerville, Mrs. J. V. Goold; Decoto, Bernie Joseph; Irvington, Mrs. Carl Christensen; P.G.&E. sub-station Harry Weber; Newark, James Collins; Niles, Mrs. Marston Dassel; Warm Springs, Joe Brown and Mission San Jose, Mrs. Lois Justus. Donors will be notified by postcards as to the time of appointment, the entire routine to take about an hour's time including refreshments to be served by the canteen following donation of the pint of blood.

Donors must be not younger than 21 years and not over 60 years of age and must weigh not less than 115 pounds. They are requested to eat no solid food for four hours prior to the visit to the procurement unit. Each donor is given a simple medical examination including checking of temperature and blood pressure.

After the pint of blood is procured, each bottle with donor's name attached is sent to Cutter's Laboratory in Berkeley, on a non-profit basis for conversion into plasma. The plasma is the liquid part of the blood after the red and white corpuscles are removed. A part of the donor's blood is typed and the donor is notified of his type of classification, this being valuable information for future reference in case the donor needs a transfusion or wishes to give blood for a transfusion.

Donors may repeat their donations of a pint of blood in eight weeks.

— How It Started

The Okland Red Cross mobile unit has been brought to Washington Township through the efforts of Frank T. Dusterberry, local Red Cross chairman. He asked the Child Welfare Club to sponsor the procurement center and Mrs. W L. McWhirter was appointed chairman. She is being assisted by Mrs. L. E. Bailey, Child Welfare president and chairman of the staff assistants school.

The Oakland Red Cross is bringing beds, linen, other necessary equipment, nurses' aides, Red Cross nurses and doctors. The Washington Township Post of the American Legion has assisted in setting up the quarters at the Legion building and the public in general has responded enthusiastically to all requests for help in putting on this program.

Those in active charge of the first visit of the mobile unit are the following: Graduate nurses, Mrs. Allan Walton, Mrs. Ted Harvey, Mrs. George Coefield, Mrs. Lee Williams, Mrs. E. C. Grau and Mrs. McWhirter.

— Staff Assistants

Staff assistants are Mrs. A. E. Rogers, Mrs. L. W. Musick, Miss Nancy McKeown, Mrs. Ed Vierra, Mrs. E. E. Dias and Mrs. George Bonde.

Canteen workers who will serve light refreshments to donors are graduates of the Red Cross nutrition coure conducted last year in the township. Those serving today are Mrs. Harvey Braun, Mrs. E. H. Hirsch, Mrs. Warren Gravestock, Mrs. John Galvin, Mrs. Ivy Cull and Mrs. Catherine Power.

Mrs. Raymond Benbow, chairman of the local motor corps and her vice-chairman, Mrs. Lena Bertolotti are being assisted by Mrs. Mildred Wauhab and Mrs. Nettie Anthony.

Members of the American Legion who assisted with setting up the quarters are Commander Al Hallstrom, Joe Pereira, Sam G. Scott, Marston Dassel and Barney Bragg.

— Bloodonor —

GRAMMAR SCHOOLS PREPARE FOR GAS RATIONING

Elementary schools throughout Washington Township will be prepared to receive applications for Class A gas ration books from registered owners of private automobiles next Thursday, Friday and Saturday, November 12, 13, and 14 from 9 a.m. until 9 p.m.

Class A books will be issued at the time of application and will entitle the bearer enough gasoline to drive a maximum of 240 miles monthly, or eight miles per day.

Persons who feel they are entitled to greater mileage may secure application blanks for Class B and C books at grammar schools. These have to be taken home, filled out and submitted to the Ration Board in Niles.

Class D. books for motorcycles can be had at grammar schools at the time of application. This information has been provided this newspaper by E. D. Bristow, principal of the Nles Grammar School who asks that ladies who helped with the sugar sign-up last May will please meet with him in his office next Tuesday afternoon, November 10, at 2 o'clock, to receive their instructions how to help during the gas ration sign-up.

It is unlawful to drive an automobile which does not have a federal $5 use tax stamp on its windshield. Parties who have failed to purchase theirs will be granted a ration book, but service stations will refuse to sell them gasoline until they buy this tax stamp. This is according to OPA rules, this newspaper is informed.

— Bloodonor —

WHIST PARTY

A public whist party for the benefit of the Irvington Fire Department will be given this Friday evening at 8 o'clock in the auditorium of the Irvington Grammar school. The public is invited.

Mrs. Ernest Martin is spending a four day vacation at Redwood City with her niece.

INDUSTRIAL PLANTS MUST SET UP THEIR TRANSPORTATION PLANS

All local industrial plants engaged in essential war work and employing more than 100 workers must set up organized transportation plans and establish Share-the-Ride Clubs in order that the employees may qualify for supplementary gasoline rationing, Mr. George Roeding chairman of the Washington Township War Price and Rationing Board announced today.

Mr. Roeding urged all local plants to set up their transportation plans immediately because the local board will begin processing supplementary applications for additional gasoline on November 16, Details on how to establish such a plan are available to plants through the local board, Mr. Roeding said.

— Bloodonor —

INSTRUCTIONS ON HOW TO APPLY FOR GAS RATION BOOKS

The date for national registering for gas rationing has been advanced from next Monday, November 9 as originally announced, to next Thursday, Friday and Saturday, November 12, 13 and 14 at district grammar schools throughout the nation, according to George C. Roeding, chairman of the Township Rationing Board.

These dates are for individuals who are entitled chiefly to A books, or in some cases to B and C books.

Commercial and institutional users of gasoline will make their applications during the week of Monday through Saturday, November 16 to 21 inclusive, regarding which further particulars will be published in this newspaper next week.

Motorists the nation over will find little effort is needed on their part to obtain the basic "A" book when national gasoline rationing takes place November 12, 13 and 14, according to Mr. Roeding chairman, Niles War Price and Rationing Board.

— Forms Available

In a statement released today Mr. Roeding said that application forms will be available through service stations, garages, some banks and other central locations just as soon as distribution is completed through Washington. The public will be informed of the date when these original application blanks will be available through all pubicity channels Mr. Roeding said.

These application blanks should be filled out at home and presented to the registrar at any designated school on November 12, 13 and 14 according to Mr. Roeding.

All members of the Local War Price and Rationing Boards as well as the volunteer registrars have been schooled in the process of registration and are now making every effort to assure the motorists of Washington Township speedy and convenient service when gasoline rationing gets underway. Mr. Roeding asked the public to cooperate with the registrars by having their application completed before presenting them to the registrars at the school.

— Questions to Answer

Motorists must be prepared to answer the following questions:

1. How many miles a month do you drive your car going to and from work and during your work?
2. What are the serial numbers of your five tires? (All tires over five per car should be turned in to the government.)
3. Do you have your car registration certificate?
4. Are you getting together with neighbors and forming a Share-the-Ride-Club?
5. Have you purchased your Federal Use Stamp for 1942?

These are some of the more important questions which the motorist should be prepared to answer when application and registration for basic gasoline rationing gets under-way on a national scale November 12, 13, 14, according to Mr. George C. Roeding, Jr., chairman, Local War Price and Rationing Board.

According to Mr. Roeding preparations for handling local gasoline registration are well advanced and with the cooperation of local motorists every car owner in Washington Township should have no difficulty in getting the original ration book.

Gasoline registration will take place in school-sites just as the original registration for sugar was handled, said Mr. Roeding, and the particular school-sites will be announced in the Township Register, Washington News and Alvarado Pioneer as soon as definite word is received from the State OPA Office.

Applications for gasoline in addition to that provided by "A" books will be available at schools at the same time "A" books are distributed.

CLASS B AND C BOOKS WILL ONLY BE AVAILABLE TO PERSONS WHO ARE FURTHERING THE WAR EFFORT IN SOME WAY.

Motorists should take these application blanks home, fill them out and mail them to their local War Price and Rationing Board No. 1-14, at Niles, not at the schools.

— Bloodonor —

PAY YAUR COUNTY TAXES TUESDAY AT CENTERVILLE

CENTERVILLE — Earl J. Twomey, tax collector of Alameda County, will be at the Bank of America in Centerville next Tuesday from 9 until 3 o'clock to receive payment of county taxes for the year 1942-43. Taxpayers may get their tax bills at the Southern Pacific depot at Centerville and pay them at the Centerville Bank.

Taxpayers are asked to bring their receipted last year's tax bills with them for reference when paying this year's bills.

8 p.m. Y.L.I. Whist party at St. Jude's hall in Irvington

CENTERVILLE SCRAP REACHES 100 TON MARK!

Sunday's scrap drive in the Centerville Area sponsored by the Centerville Lions Club with the assistance of the local Air Raid Wardens has brought the Victory Scrap Pile over the 100 ton mark.

The two large collections on October 11 and November 1, totaled 85 tons. Earlier voluntary contributions to the local Salvage Committee of the Lions Club exceeded 15 tons.

According to Jack Rees, President of te Lions Club, the 100 ton mark has been achieved largely through the efforts of the Lions Club Salvage Committee under the direction of Joe Adams, which organized the drives, and the splendid cooperation of Air Raid Wardens and Lions Club members who turned out almost 100% to do the job.

Trucks and drivers were generously provided by P. C. Hansen Lumber Co., Williams Bros., Cloverdale Creamery, George Silva, Santos Bros., Leland Martin, A. N. Silva, and Joe Adams.

Funds derived from the drive will be used by the Lions for Welfare work in this area.

— Bloodonor —

NEWARK HAULS 20 TONS OF SCRAP TO MILL

NEWARK — The Newark Scrap Committee again put in another full Sunday hauling its scrap pile to the steel mill, which was the second pile and amuonted to 20 tons of scrap. The help was very little to handle this scrap Sunday, making it a hard job on just a few people.

The Scrap Committee again extends thanks to the following truck owners: Joe Trinidad, Frank Rose, Lewis and Espinola, Pimentel and Santos and the Faria Bros.

The total tonnage delivered to the mill to date is 32 tons of steel. Rubbing alcohol was purchased for fireman Henry Fields and commissioner Albert Pashote.

— Bloodonor —

CENTERVILLE CHURCH FETES 75TH BIRTHDAY

CENTERVILLE — Founders of the St. James' Episcopal Church, established 75 years ago, were honored at anniversary services with Bishop Carl Block and John L. McNab, San Francisco attorney, as speakers on Sunday.

Luncheon was served to 90 in the Memorial Hall following services, Rev. Jackson L. Webster, pastor of the Presbyterian churches of the township being an honored guest.

Others on the program were Howard Chadbourne, master of ceremonies at the luncheon; Miss Sheila Leachman, who gave a resume of the church's history, Rev. T. Cecil Harris, supply rector and John Raymond, student pastor.

NEWARK

Mrs. Caroline Pashote
Correspondent

The Newark Fire Department was called out last Tuesday to extinguish a grass fire between Railroad and Central avenues, east of Cherry road which started from a train. This was the fourth call to the same location during this season. The firemen used about 600 gallons of water to extinguish this fire.

Mrs. Jennie Bernard, who has been staying with her folks, Mr. and Mrs. Michael Hoffman of Newark since the birth of her twin daughters, has moved to San Leandro to their new home, which they purchased recently.

Mr. and Mrs. Bob Rufkosky and son of Oakland, former residents of Newark, visited here last Sunday with her mother, Mrs. Meneze.

Mr. and Mrs. Oscar Niemth and daughter of Daly City visited in Newark Sunday with his father, Mr. Niemth, and the daughter, Clarice Niemth of Palo Alto visited her father.

Mr. and Mrs. Frank Wells and son of San Leandro, visited in Newark last Friday at the home of Mr. and Mrs. J. E. Pashote.

Mrs. Ray Truscott of Newark, who has been very sick in the hospital has returned home and is getting along fine.

Mr. and Mrs. Lawrence Costa and Mrs. Eddie Costa of Newark received word from their brother, Manuel Costa of Fresno that he is very sick. They left Saturday to visit with him.

THERE IS NO CEILING ON SAVINGS AT SAFEWAY

READ WHY SAFEWAY CEILING PRICES ARE LOW

First, what is a ceiling price? A store's ceiling price is the highest price that may be charged by that particular store for those items governed by the ceiling price law.

Second, why aren't ceiling prices the same in all stores? Under the regulations each store establishes its own price ceilings within the limitations of the law. The ceiling price law fixes an amount above which prices may not go, but without restrictions as to how low prices may go.

Why Safeway ceiling prices are low! Because every Safeway price has been a very low price month after month, Safeway ceiling prices are naturally very low. For years Safeway has waged war on needless waste in distributing foods... cut out unnecessary expense ... eliminated frills. And the savings thus made have been shared with our customers by giving them low prices. The ceiling price regulations will not, in any way, alter Safeway's policy of bringing you the finest foods the markets offer at the lowest possible prices.

Safeway is cooperating with the Government's effort to prevent inflation by rigidly adhering to the spirit as well as the letter of the ceiling price regulations.

Prices in this ad are effective Tuesday, Wednesday, Thursday, Friday and Saturday, November 3, 4, 5, 6, 7, in San Francisco, Oakland, Berkeley, Alameda, Richmond, Hayward, and other cities and towns in San Mateo, Alameda & Contra Costa Counties.

AND there is no ceiling as to the number of War Bonds and Stamps you should buy, regularly. Put your savings, *at least* 10% of your income, into War Bonds and help win the war.

Shop early in the week... avoid crowds... and save money, too!

SAFEWAY ADVERTISED PRICES ARE GOOD TUE. thru SAT.

SAFEWAY GUARANTEED MEATS
Safeway meats are guaranteed to be tender and juicy—or all your money back.

. . . Your Government has asked that you voluntarily limit the eating of meat in your home to 2½ pounds per person weekly. There is an ample supply of meat for everyone—it is just a matter of all of us doing our part to make it go around. Our Armed forces both here and abroad *must have meat*, and so must a hundred million Americans at home. If we all cooperate—if we at home buy no more than our family's share—the distribution problem will solve itself and we will have made a definite contribution toward Victory.

Sunday school — Younger children at St. James Episcopal, older children at the Presbyterian church. Parents can attend the church service while the children are in classes.

CHRISTIAN SCIENCE CHURCHES

In all Christian Science churches a Lesson Sermon was read Sunday, November 1, on the subject "Everlasting Punishment." The Golden Text was: "My son, despise not the chastening of the Lord; neither be weary of his correction: for whom the Lord loveth he correcteth; even as a father the son in whom he delighteth," (Proverbs 3: 11, 12).

Bible selections included the following passage from Psalms 19: 8, 11: "The statutes of the Lord are right, rejoicing the heart: the commandment of the Lord is pure, enlightening the eyes. Morover by them is thy servant warned: and in keeping of them there is great reward."

A passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, was also included, which reads as follows: "Truth, Life, and Love are the only legitimate and eternal demands on man, and they are spiritual lawgivers, enforcing obedience through divine statutes. Controlled by the divine intelligence, man is harmonious and eternal," (p. 184).

P. T. A. HALLOWE'EN PARTY ENJOYED AT IRVINGTON

IRVINGTON — One of the most successful Hallowe'en Parties ever given for the local youngsters was held last Saturday night at the Elementary School under the auspices of the P.T.A. assisted by the teachers. The children came in costume and were treated to hot dogs after which prizes of War Stamps were awarded to those having the most appropriate Hallowe'en costumes.

Winners were: Girls, Betty Allender, Joanne Elias, Audrey Turnbow, Beatrice Albert. Boys, Merle Pexioto, Claudette Elias, Kenneth Kraft, Wilbert Amaral. Prizes were awarded to the participants on the Amateur Program: Charlie Ramsell, Joan Dutre, Joanne Elias. Judges were Mrs. Lawrence Rose, Mrs. Robert Wright and Mrs. Justine Adams.

A master magician and ventriloquist entertained the audience with a very interesting set-up of tricks. The program of the evening was arranged by Jake Turnbull with Joe Silveria as master of ceremonies.

— Bloodonor —

NUTRITION STUDIES

IRVINGTON — The P.T.A. of the Irvington Elementary School had its November meeting at the school Thursday at 2:30 with Mrs. E. M. Grimmer, president in charge. Special consideration was given to "Nutrition During the War" with pamphlets and data on the subject made available to the members. Buddy and Joan Campos favored the meeting with several musical contributions. The members were urged to continue to hold their interest in these Child Welfare projects more than ever due to the national situation.

— Bloodonor —

FAREWELL PARTY

NEWARK — Mrs. Ed Beimiller entertained a group of her fellow employes of the Morton Salt Company at her home Tuesday night prior to leaving for her new home at Moss Landing where her husband has accepted enmployment with the Permanente Corporation.

PURCHASE HOME

IRVINGTON — Mrs. Tom Power and family, residents of the community for years have purchased the home of the late Etta Alexander near the High School in Centerville. They moved into their new home Tuesday. What is Irvington's loss is Centerville's gain. Our best wishes go with the family in their new home.

— Bloodonor —

WOMEN THANKED FOR REGISTERING TRUCKS

IRVINGTON — Mrs. Wilda Mette, president of the Country Club of Washington Township, advises that she received a very fine letter of commendation from Herbert W. Young of the U.S.C.A. War Board, thanking the women who registered the trucks for our community recently at the Justice Court in Centerville. Some of these women gave three full days, others half days. It was one of the most difficult jobs handled as yet by our volunteer women. The following comprised the group: Irvington: Mrs. Justine D. Adams, Mrs. Florence Beardsley, Mrs. Ida Hirsch; Centerville: Mrs. R. A. Sparrowe, Miss Shiela Leachman, Miss Grace Knoles, Mrs. John R. Sutton, Mrs. Dora Anderson, Mrs. A. E. Rogers; Niles: Mesdames Roland Bendel, A. M. Alves, Wm. Dutra, Fred Dias, Wm. Cull, J. A. McDonald, Morris O'Brian, C. D. D'Amico.

NILES LOCALS

Miss Rosemary McDonald
Correspondent

Mr. and Mrs. Harry Winters have moved from Niles to 1140 Key Route Boulevard in Albany. He is doing welding work in No. 3 shipyard at Richmond.

Mrs. Walter Waynflete and small daughter visited the first half of this week with her brother-in-law and sister-in-law at Chatsworth, near Los Angeles. The last hafl of the week they are visiting the W. T. Lindsays in Los Angeles. Her brother, Walter Kleinsasser is leaving Niles Friday afternoon for Los Angeles to spend the weekend wth the Lindsays, all returning to Niles Sunday night. Lewis Hanson also of Niles will accompany Walt.

Mr. and Mrs. Thomas Gough of Niles enjoyed a weeks visit with relatives and friends in Fresno, Turlock and Dos Palos last week.

Miss Edith Pementel is now working in the Niles Sweet Shop, following the resignation of Mrs. Beatrice Fournier. The Sweet Shop will be closed all day and evening on Tuesdays, starting this week.

Miss Betty Denton is now working in the Central Bank in Niles.

The Niles Rotary Club received its District Governor, Rilea W. Doe at its Thursday luncheon meeting in the City of Florence Restaurant at Niles. President Chick Burdick introduced him.

Monday night's rainfall brought .34 of an inch, which, added to the 1.23 received locally since July 1, makes a total of 1.72 inches to date, according to records kept at the Southern Pacific Depot in Niles.

Leon Vieux is spending a vacation at the home of his sister, Mrs. O. Young of Point Arena, California.

Mrs. Marie Bishop of Oakland visited friends in the Township on Sunday.

Mrs. Mary Barnard entertained her bridge club last Thursday at the home of Mrs. Fred Mitte.

Billie Carr of Alameda is sepnding a week visiting his grandparents, Mr. and Mrs. Sydney Carr.

Mrs. Eliza Cull Kennard celebrated her birthday at the home of her niece, Mrs. W. A. Garner at Hayward last Sunday. Her birthday was the occasion for a family reunion and the guests included Mr. and Mrs. Wm. D. Cull, Mrs. F. H. Smith and Mrs C B Oliver Mrs. Kennard received many gifts and greetings from friends and from the Niles Rebekah lodge.

Mr. and Mrs. J. R. Grace of Burlingame entertained Mr. and Mrs Thomas Robbins of Niles at dinner on Thursday.

Miss Frances Van Tiger, who is attending the Dominican College at San Rafael, spent the weekend at the E. D. Bristow home.

The regular monthly meeting of the Niles Rebekah lodge will be held on Friday night. There will be nomination of officers at this meeting according to Mrs. Sena Carr, noble grand.

The Friendly Sewing Circle meets Monday, November 9th, at the home of Mrs. Mary Rose. Mrs. Rose will be assisted in entertaining by Mrs. Ann Arrington and Florence Hale.

Many members of the Niles Rebekah Lodge and Niles I.O.O.F. attended the funeral of the late Ward Crane which was held last Wednesday in Niles followed by interment at Livermore. Mr. Crane was a prominent member of the I.O.O.F. Lodge.

Mr. and Mrs. Morris Jones of Pasadena spent last week visiting friends in Niles While here Mr. Jones attended the convention of Pacific Coast water works officials in Oakland, as chairman of the conference. He left for his home in Pasadena on Saturday. Mrs. Jones accompanied Mrs. Warren Jones and son David to Monterey where she will spend a week before returning to Pasadena.

EARL WARREN
NEXT GOVERNOR OF CALIFORNIA

P. T. A. TO MEET

The regular meeting of the Niles P.T.A. will be held at 2 p.m. at Niles grammar school, on Tuesday November 10. Board meeting at 1:00 o'clock sharp. This meeting will be a welcome to the teachers and new mothers. We urge every new mother to be present. Refreshments and a social hour will follow the business meeting. A state officer will be present, very probably our District President Mrs. M. C. Godfrey.

— Bloodonor —

....COUNTRY CLUB HERE OBSERVES ART WEEK

CENTERVILLE — Art week was observed at Tuesday's meeting of the Country Club of Washington Township with two speakers and musical numbers included in the program.

Mrs. George Sullivan, State chairman of arts and crafts for the Federation of Women's Clubs was one of the speakers and Dr. Marques E. Reitzel of the Office of Civilian Defense and camouflage officer for San Jose discussed "Camouflage and its importance to industrial and rural building after the war."

Hostesses for the day were Mrs. E. A. Ellsworth, Mrs. T. K. Oakes, Mrs. O. E. Walpert, Mrs. Charles Burtch, Mrs. O. W. Ebright and Mrs. O. N. Hirsch.

COUNTRY CLUB OF WASHINGTON TOWNSHIP MAKES DONATIONS

With Mrs. George Sullivan, State Chairman of Arts and Crafts for the Federation of Women's Clubs as speaker the Country Club of Washington Township gave special emphasis to arts and crafts at their Tuesday meeting at the club house.

Mrs. Sullivan displayed many beautiful articles of hand craft work and stressed the need of individuals finding composure and relaxation these trying times.

The Club also made a special donation to the Navy Hospital at Oak Knoll in addition to their regular Livermore Veterans gift.

The President read a letter of thanks to the ladies of the community for their very satisfactory work on the recent Truck Registration at the Justice Court in Niles received from Mr. Herbert Young of the U.S.C.A. War Board

CENTERVILLE

Miss Maxine Mau
Correspondent

A luncheon was given by Mrs. Ed Vierra at her home here after a recent meeting of the blood donors at the high school. Those who enjoyed this luncheon were Mrs. Fred Dias, Mrs. J. D. Gomes, and Mrs. Pete Wegele.

The officers of the Centerville Assembly No. 58 of Raibow Girls are attending the Grand Worthy Advisor's Official visit at Alameda this Saturday.

Washington Union High went back to it's regular schedule after running a minimum day for three weeks to enable the students to help harvest the crops.

Mr. and Mrs. Pete Wegele and daughter Lela Mae spent Sunday visiting Mrs. Wegele's sister who is ill in the hospital.

The many friends of Mrs. Violet Emerson are very glad to see her up and around after undergoing a very serious operation.

It has been overheard by your correspondent that the citizens of the community are wondering why the "Patriots" who leave their Flag up night and day and in all kinds of weather do not read the laws governing the way a flag should be displayed?

Miss Genevieve Enos of Newark is now employed at the Kirkish Dry Goods store here.

Mr. and Mrs. Thomas Robbins were the dinner guests of Mr. and Mrs. Dean Laughlin in Oakland on Friday.

Mr. and Mrs. Carl Frances of Oakland spent Sunday at the home of Mr. and Mrs. M. O'Brien here.

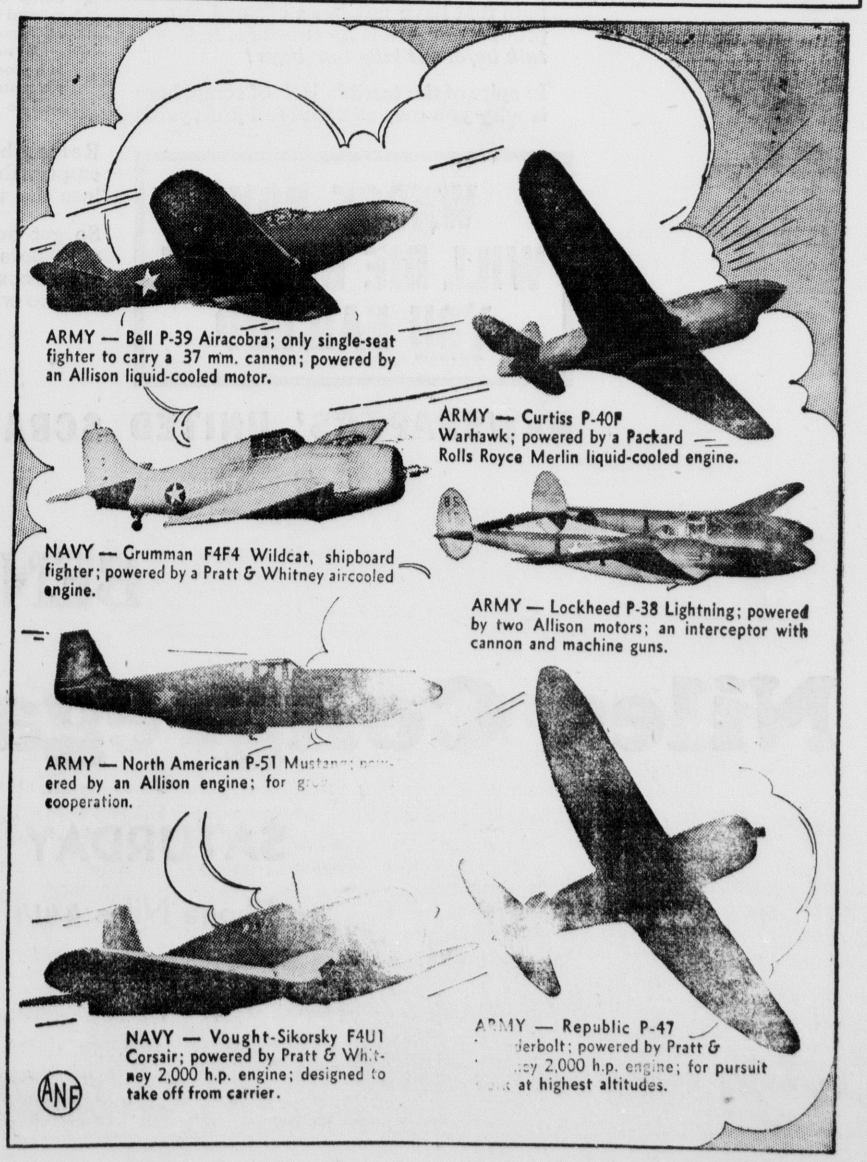
"Another Convoy Has Arrived . . ."

EVERY FEW DAYS HEADLINES tell that another convoy has successfully run the gauntlet of bombs and torpedoes to deliver the goods to the fighting fronts. The job of the merchant seamen who man the convoys is vital —and tough. How tough is indicated by the news—just announced—that 16,000 merchant seamen from Great Britain alone have lost their lives on convoy since war began. These pictures show, above, a typical British merchant sailor and first mate and, at right, 16-year-old George Thomas, youngest British merchant seaman gunner and one of the guns with which he defends his tanker. Below, the most recent convoy to Malta with an escorting aircraft carrier which helped beat off the furious enemy assaults on the convoy.

Fighter Planes of Our Air Forces



ARMY — Bell P-39 Airacobra; only single-seat fighter to carry a 37 mm. cannon; powered by an Allison liquid-cooled motor.
ARMY — Curtiss P-40F Warhawk; powered by a Packard Rolls Royce Merlin liquid-cooled engine.
NAVY — Grumman F4F4 Wildcat, shipboard fighter; powered by a Pratt & Whitney aircooled engine.
ARMY — Lockheed P-38 Lightning; powered by two Allison motors; an interceptor with cannon and machine guns.
ARMY — North American P-51 Mustang; powered by an Allison engine; for ground cooperation.
NAVY — Vought-Sikorsky F4U1 Corsair; powered by Pratt & Whitney 2,000 h.p. engine; designed to take off from carrier.
ARMY — Republic P-47 Thunderbolt; powered by Pratt & Whitney 2,000 h.p. engine; for pursuit at highest altitudes.
ANF

Stockpiles like this are needed all over the country so that our Government can plan our armament program—and our mills and plants can deliver the fighting tools!

Get in on the drive that starts today. Get the unused metal out of your cellar, your attic, your garage, your place of business. Without this scrap the Nation's steel mills must shut down, for all new steel is 50% scrap, and the mills have not enough for even 30 days more.

And one more thing. Help to stop the story — spread by innocents and ill-wishers alike—that there is lots of scrap already on hand. They point to junk yards, auto graveyards, and salvage depots that have not been cleaned out, as proof that there is no shortage. *Kill this talk before it kills our boys!*

In spite of the terrible lack of scrap, here is why you may still find full junk yards and scrap depots—and why they must be kept that way!

1. All scrap must be sorted, stripped, and broken up by scrap dealers before it can be used. Their yards are full because they are *busy*—preparing your scrap for the mills as fast as they possibly can!
2. Auto graveyards strip autos, keep the usable parts and junk the rest—turning out 450,000 tons of scrap in a typical month. Each must scrap within 60 days as many cars as he buys—that is the law!
3. Scrap collections sometimes have to stay around because the dealers can't handle them all immediately. Even if they could, the mills could not store it all. The local salvage depot is a stockpile—where your scrap is available for instant use as soon as it's needed. And it *will* be needed!

Remember if these places become empty, the mills shut down — and we lose the war!

So get out your scrap and help your neighbors with theirs. It's the greatest single contribution you can make right now to win the war!

SCHOOL HEADS LAY PLANS FOR 1943 HARVEST

CENTERVILLE—Tomato growers may rest easy regarding harvest of the 1943 crop, Washington Township school men indicate following a series of conferences this week among committees of principals and the local farmers, according to James Nunes, retiring chairman of the Eden-Washington Farm Center.

Placement of school children in the fields next year, however, will be contingent upon the farmers maintaining certain standards of working conditions and wages school men insist.

— Requirements Listed

It is indicated that an agreement will be circulated among growers asking that the following requirements be met:

Installation of portable drinking fountains and sanitary equipment, adequate and safe transportation of children to the fields, including insurance and competent drivers, proper supervision and a uniform price for labor.

This latter would include a basic wage on a sliding scale depending upon the conditions of the crop.

Principal J. V. Goold of the Washington Union High School said he would insist upon the above arrangements before sending students into the fields next year.

— Predicts Agreement

O. C. Brown, agricultural director, said he felt sure the farmers would agree to the program if it were explained to them that it would probably necessitate a full-time paid co-ordinator to put the program across.

Planting of seeds for the 1943 crop will take place in January and this labor assurance plus a $2 bonus offered by the Government on this year's crop to those who plant 90 per cent of the 1942 acreage is expected to guarantee another bumper crop for next year.

— Bloodonor —

CENTERVILLE ELEMENTARY P.T.A. APPOINTS ITS COMMITTEES

The Centerville Elementary School Parent Teachers' Association met in the school auditorium on Tuesday afternoon, October 27. A Columbus Day program was presented by the fourth and fifth grades.

The officers who will guide the P.T.A. for the 1942-1943 school year are: Mrs. George Pimentel, president; Mrs. John Santos, vice president; Mrs. George Roderick, treasurer; Mrs. Hubert Castro, historian; Mrs. Alfred Ornellas, financial secretary.

The following committees have also been appointed: Mrs. Inez Silva, program; Mrs. George Roderick, finance and budget; Mrs. Alfred Ornellas, membership; Mrs. Philip Souza, hospitality; Mrs. Hubert Castro, Publications and magazines; Mrs. Alfred Ornellas, Mrs. John Santos, and Principal Thomas P. Maloney, cafeteria.

Memberships in the P.T.A. have been coming in steadily, and it is hoped that the registration this year will equal last year's record breaking memberships. Anyone wishing to join should send or bring one dollar ($1.00) for yearly dues to the school.

— Bloodonor —

SCHOOL RESUMES EVENING AFFAIRS

CENTERVILLE — Resumption of evening social affairs for Washington Union High School students following their cancellation last year has been announced by Principal J. V. Goold. The Calendar also includes the annual Christmas Pageant and the Armistice Day football game for the benefit of the U.S. Veterans' Hospital at Livermore.

The Calendar reads: Halloween dance at the school; November 11, Livermore vs. Centerville football game here; November 20, dramatic program; November 26 - 27, Thanksgiving holidays; December 11, Christmas dance; December 20, Christmas pageant; December 23-January 4, Christmas holidays.

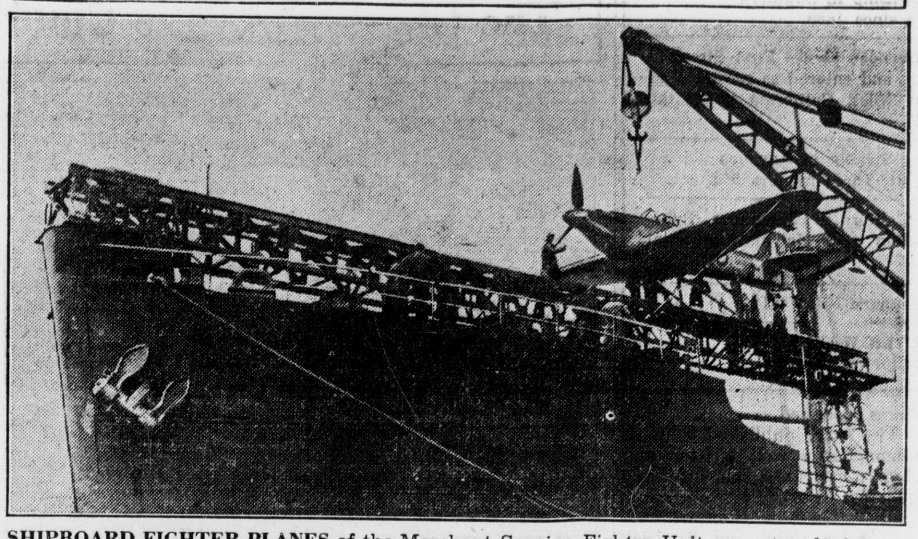
— Bloodonor —

LIQUOR TAX FEES DISTRIBUTED

SACRAMENTO — Distribution of $1,608,816. to California cities and counties was announced today by Ivan C. Sperbeck, second district member of the State Board of Equalization.

This huge sum represents one-half of the $3,217,632 in alcoholic beverage license fees earned by the Board during the six-month period ended June 30. The State's share goes into the general fund.

Catafighter



SHIPBOARD FIGHTER PLANES of the Merchant Service Fighter Unit are catapulted from freighters when the convoy is attacked by enemy bombers. The R.A.F. pilot may have to land on the sea miles from land. But the loss of his plane is nothing to the loss of even a single ship with its precious cargo. Many ships have already been saved by catafighters routing Axis torpedo plane attacks. This is the first picture showing how fast British Hurricane fighters are "loaded" on a freighter's catapult before she sails to join her convoy.

PICK UP YOUR APPLICATION AT SERVICE STATIONS

The following special instructions for the public have just been given this newspaper by Mr. Roeding:

Before any one applies for gasoline rationing at the School Site they should pick up an application for gasoline from any service station in the township or there will be some applications available at our local rationing board this Friday, November 6th.

It has been requested that all applications be filled in with ink or typed.

If you live outside of Washington Township but are stationed in this area temporarily you may apply for your gasoline rationing certificate here but you should mark on the Application "Foreign" and if possible state the number of the district in which you are located.

You are enttled to keep your five best tires, four on your car and 1 spare and all other tires are to be delivered to the express office who will give you a receipt for them and you will be paid according to their worth in either money, stamps or bonds whichever you prefer. You can also donate your tires if you wish.

— Bloodonor —

CURRENT AFFAIRS CLASS TO SEE FILMS FROM O.W.I.

The Current Affairs Class at Washington Union High School will view two recent Office of War Information film releases next Monday evening, November 9, at 8:00 p.m. These two sound films, entitled "The Western Front" and "Air Raid Wardens" are closely related to the topic of the evening: "Eleven Months of War" which will be discussed by Jack Rees, class director.

Opportunities for questions and for discussion of the problems confronting our country will be provided.

According to Warren Gravestock, Principal of the Evening School, every one is cordially invited to attend this interesting class which meets bi-monthly in the Visual Education Room.

The November 16 topic is "Our Navy in this War" and will be featured by a fifty minute sound film of Naval action in the Pacific.

— Bloodonor —

MEN'S FELLOWSHIP

The regular monthly dinner meeting of the Niles Men's Fellowship club will be held next Monday evening, November 9 at 6:30 o'clock in the Guildrooms at the Niles Congregational Church with President E. F. Glassbrook presiding. The laides of the Sanford Circle will prepare the fine dinner as usual. Dr. T. C. Wilson will be program chairman and that means "surprise!" "surprise!"

— Bloodonor —

ERLE E. HELLWIG SUCCUMBS TO BRIEF ILLNESS

ALVARADO — Final rites for Erle E. Hellwig, 44 Alvarado banker and a nephew of Alameda, County Supervisor George Hellwig was held from the Pratt Mortuary at Hayward last Thursday afternoon at 2 o'clock. Interment was made at Mt. Eden.

An illness of about six weeks preceded death at the Alameda Hospital Monday afternoon, Surviving the widow, Ruth; a daughter, Linda Jane, University of California junior; his mother, Mrs. Emma L. Koevary of Mt. Eden, and a sister, Mrs. P. W. Brown of San Leandro. He was the nephew of Mrs. A. A. Oliver of Mt. Eden.

A native of Alvarado, he had been connected with the bank here for the past 20 years and was a member of the Alameda Lodge, No. 167, F. and A. M., and Orient Chapter, No. 177, O.E.S. both of Centerville

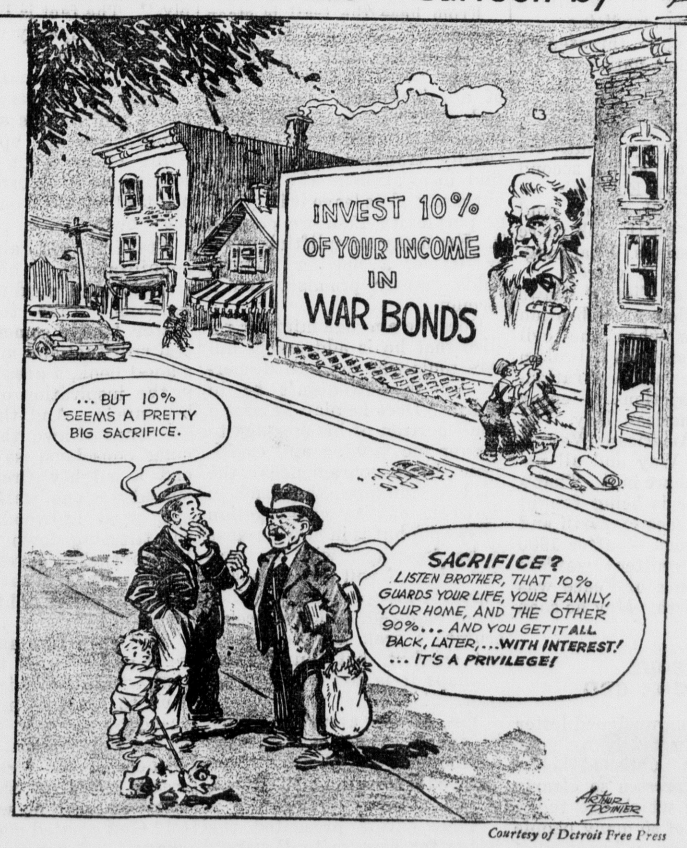
JOHN CITIZEN SPEAKS ★ Cartoon by ARTHUR POINTER



INVEST 10% OF YOUR INCOME IN WAR BONDS
... BUT 10% SEEMS A PRETTY BIG SACRIFICE.
SACRIFICE? LISTEN BROTHER, THAT 10% GUARDS YOUR LIFE, YOUR FAMILY, YOUR HOME, AND THE OTHER 90%... AND YOU GET IT ALL BACK, LATER,...WITH INTEREST! ... IT'S A PRIVILEGE!
ARTHUR POINTER

Courtesy of Detroit Free Press

Save 10%...to Save 100%

All over the nation, patriotic Americans are spending less and saving more—putting at least 10% of their incomes into War Bonds and Stamps. So our boys can have the planes and tanks and guns they need to fight and attack and WIN for us!

So the Nazis and Japs will wish they hadn't tried to enslave America, too—and won't ever try it again!

And it's going to take 10% in War Bonds to do it!

So, if you've been postponing buckling down, remember, it's "Everybody 10%" or "Nobody (except our Axis masters) having a cent."

NOTE—Now You Can Buy War Bonds Through Your Rural Postman!

CUBMASTER WANTED

Will some public spirited citizen step forward and volunteer for the job of serving as Master of the Niles Cub Pack?

Cubbing is at a standstill in Niles, and some 22 boys are waiting for their fall activities to begin, because no one can be found to serve as Cubmaster.

The Niles P.T.A. sponsors the Pack and its president, Mrs. Fred Duffie has asked Walter Waynflete to serve as committee chairman until better arrangements can be made. Members of the committee include L. A. Mayer, E. D. Meeker and Henry Hibner, with Past Chairman George Roeding Jr. serving in an advisory capacity.

Dues for the year have been paid by the Cubs and the Committee men but activity is at a standstill until some man will act as Cubmaster.

Anyone who feels so moved to give some of his time for the benefit of up-and-coming young American boys, please contact Mr. Waynflete.

Thank you!

—ww—

WE'RE DOING ALRIGHT

TheBattle of the Solomons is over, after two weeks of mighty fighting, and we have won it, as usual. The Japs are not right enough to defeat U.S.

In North Africa the United Nations, including United States forces are chewing away at Rommel, that old fox, and are successfully giving him a taste of hisown medicine.

Hitler is now threatening Turkey and that nation is mobilizing to defend, and naturally throw in its lot with the Allies. Thus Hitler will have a third front to worry about. He already has an aerial second front in Western Europe.

Stalingrad still stands and Boreas is now on the job there aiding the Russians. What magnificent fighters they are!

So the day of Victory draws nearer and what a celebration we will have when the evil power of our enemies is broken and we are free again of rationings and restrictions to enjoy life in The American Way.

And The American Way is the Christian Way and all nations wish to share in it. That's what this war is being fought for: to earn peace on earth and good will to men — after 1900 years of intermittent warfare since The Prince of Peace was taken from earth. May he soon rule again!

—ww—

A HUNGRY SOUL SEARCHES FOR GOD

The following unsigned letter was received recently by your editor and is published below because it expresses so clearly the questions which are today in the hearts of so many people who are hungry to know what it's all about — why this great war, why the suffering and confusion on earth; who is God and how can He be found?

The Church is the only remnant we moderns have left of that Kingdom about which Jesus preached.

The letter published below is uncommonly well written and clearly expresses the unformed question in every human heart:

* * *

Niles, Calif., Oct. 21, 1942
To the Editor:

For many years I have lived in this community. Annually, the church seeks funds, personnel, and a congregation. Annually the good people who give their time and endeavor to keep our friendly church in operation look at me silently and think, no doubt, "Why do some people not attend church?" Every year I have hoped a few answers to this question would appear in the local paper, our paper. There are many of us. De we owe an explanation to the minister and the church officers? Would they appreciate an expression of our viewpoint and an opportunity to try to meet our needs?

There are the obvious answers: transportation, since this is largely a rural district; home duties, since it is a farming community; family duties as in every community.

Other explanations, such as difference of creed, are being gradually overcome in and out of church by a broadening process. One no longer expects to hear disapproving remarks about other creeds, races, churches, beliefs in the course of a Sunday service. We would prefer not to hear them during the week.

From here the trail is steep overgrown, and hard to follow. It lies in the direction of our deepest needs and the inability of all, including the minister and ourselves, to define these requirements and reply to them. Deeply troubled, some of us find inspiration in the church, but many of us leave it in greater perplexity than we entered it. For many an uplifting novel or drama, a moving picture, holds greater promise than a sermon.

Does the average minister realize that he is addressing human souls who are half desperate or they wouldn't be in church? Does he plan at least a small portion of his message to answer the longing and emptiness, the discouragement, the need for guidance that isn't in the rest of the congregation (perhaps) but is in me? Because if he doesn't, I will be there just once. I will give financial support; my physical presence is not required. Ido not seek a crutch; I seek understanding; not comfort, but illumination. Perhaps it is too much to expect.

Yes, I know everything must be signed. That's why this can be disregarded. Writing it has relieved a certain tension.

* * *

Your editor presented this letter for answer to Reverend D. Q. Grabill, Pastor of the Niles Congregational Church, who is an uncommonly able and practical servant of the Church of God.

Mr. Grabill's reply follows:
My Dear Mr. Waynflete:

Thank you for the privilege of reading the unsigned letter on our relationship to the church. No, this is not a "reply." The fact is I find myself quite in sympathy with the unknown writer.

This may be partly due to my leaving the ministry for several years, working as an executive in industry, later operating and living on my own dairy farm, looking at the church from the point of view of one sitting in the pew.

Yes, I know all about the disappointments in church services. I have listened to some poor sermons. Like this unkown writer I, have sometimes found real spiritual and moral help in a good book, a great picture, or in the inspiration of soul- stirring music. And then there is the sense of awe, the overwhelming consciousness of divinity and a mighty Creator experienced by one walking among our great redwoods, with the sun filtering down through the high branches, covering the soft earth with a beautifully intricate pattern of lights and shadows.

And then I've asked myself, what and where is the origin of that within me which causes me thus to react to and be influenced by the good book I read, or the great music, or even the miracle of the forest. And it seems I find my answer in the story of creation, where we are told God created man in his own image, and breathed into man his own spirit, a part of himself. And thus man is related to divinity.

No, man has not always lived and acted as though he were related to divinity. He is always overcome by the pressure of the material, the physical, and increasingly the temptation, the tendency, is to yield to and interpret life only in terms of the physical and the material. But always, also, there are those who do not forget the origin of the spiritual realities of life. these are the hope of mankind.

Jesus was the spokesman for all of these. He know all about the "underpriveleged," — the poorly clad, the poorly fed, the poorly housed. He knew that all too many found themselves in prison. He knew these must be cared for physically, in fact Jesus made this quite a test of loyalty to him: "Inasmuch as ye did it unto one of these my brethern, even these least, ye did it unto me."

But Jesus also knew and taught that man cannot live by bread alone. He became the living symbol and reality of divine Sonship. He would save the world of men by revealing to man the true source of ultimate satisfaction in living, — ONENESS WITH GOD.

He brought to mankind the good news of forgiveness for man's mistakes, and failures, of renewal of strength and hope, the practical possibility of realizing more completely the joy, the power, that come with the experience of Sonship. He came teaching God's new way of life for men, the way of love, of friendliness, of peace.

Jesus spent most of his ministry teaching his disciples, preparing them to carry out his great commission, — the proclaiming of this good news to all the world. Well, it looks like they hadn't succeeded very well. In fact one of the "twelve", who was right with Jesus during all of his ministry actually betrayed him. And another denied him at his trial, and a third was not present when Jesus appeared among the rest in that upper room. Looks like a pretty poor record, even if Peter did repent after denying his Master and became the great leader of the Church about to come into being.

Well, I guess the church has been made up of folks pretty much like those twelve men ever since. After all, what is the church? It is an assembly of the followers of Jesus, of those who believe in Him and His way of life, of those who have been entrusted with the Commission of the Master, to do his work in the world.

Sometimes I think we havetoo many divisions among those who make up the church, too many denominations, as we call them. But at least we have learned, as this unknown writer says, not to make "disapproving remarks about other creeds, races, churches." That in itself is quite a forward step. And so long as human beings differ in racial heritage, in educational opportunities, in childhood training, in temperament, we will have different "churches."

But all are united in that each group is trying, in its own way, to carry out the commission given unto his followers by Jesus. Some want the sermon to be the center, the principle part of the service of worship. Others find greater spiritual help and satisfaction in a service where more emphasis is placed on ritual. Some want a sermon and a service based entirely on what they call "religion," on the "gospel." Others want the preacher at least once in a while, to relate his sermon to current affairs in the world. So no one preacher, no one kind of sermon, no one type of church service will appeal to or help everyone.

Yes, my unknown friend, you are indeed right, so many of us do stand in desperate need of help, — help that can only be found in a closer realization of our relation to God. We are sometimes afraid. And we want to hear something in the church service, — the scriptures, in the hymns, in a prayer (maybe our own prayer) to give us courage. We have at times just about lost our faith, and we come to the church hoping to find something that will give us an experience like that of Peter, who must have been afraid and had lost his faith, when he denied knowing Jesus!

Yes, my unknown friend, we do need "understanding," and we do hope for spiritual and intellectual "illumination. No, I don't think it is too much to expect. If we don't get all of this, and more, then there is something wrong either with the particular church or with us, or we have not found the branch of the church which may best help us.

The sermon may be quite on the ordinary side, and the music may be terrible; but if you and I go into the sanctuary seeking God, I think we shall find him. Maybe we won't get as much from the preacher as we ought to get, maybe we'll have to think our own thoughts, and pray our own prayers. But just being there, together with others in need like we are, and trying to find divine understanding, and a bit of human understanding, and courage, and strength for life's burdens, just like these others are trying, and maybe like some of them we also come into the church to thank God in our own way, in his house, for all of his goodness to us.

And then, too, I think it would help the Master in his work in the world, and in Niles, if more of us came with the sincere desire and the prayer to be used by him in ways somehow helpful to others. The unknown writer has not mentioned this, but I am quite sure the writer would agree.

There is an old legend telling that when Jesus ascended into heaven he was met at the gate by the archangel Gabriel, who said: "Lord, Thou has done a great work on earth; what plans hast thou made to see that thy work is being carried out?" And Jesus replied: "I have left behind me Peter and John and the other fishermen, and Mary and Martha and the other women."

"But supposing," said Gabriel, "that Peter and John are too busy with their fishing, and Mary and Martha and the other women are too busy with their housework and forget to tell their friends, or their friends forget to pass the message on, what other plans hast thou made, Lord?" The Lord did not reply for a moment, then he smiled and said: "I have no other plans. I am relying on them."

Sincerely yours,
D. Quincy Grabill

ARMISTICE DAY MEANS WHAT?

Under the circumstances, the observance of Armistice Day this year is a farce and a slap in the face.

The very Germans to whom we granted an Armistice on November 11, 1918, because they were broken and licked, have since seen fit to violate every term of the Treaty of Versailles, making of it a "scrap of paper"

The Gir[illegible]he Gun

Passed by Censor

TILLIE ABOUD is one of the many hundred able women workers who are helping Canada deliver a plane every 90 minutes. With her light portable electric drill, she pierces rivet holes in the fuselage of Bolingbroke bombers. Some 125,000 women are now engaged in war work in Canada, a figure which would compare with 1,500,000 in United States, and the number is growing from day to day. They are performing admirably all sorts of important jobs in scores of wartime industries.

With a current production of about 400 planes a month, Canada is now looking after a substantial part of the requirements of the Joint Air Training Plan. It is building operational planes for the Royal Canadian Air Force, and it has accepted substantial orders for training and service planes from England and the United States. And there are still some plants which are not yet in full swing.

To simplify and speed up the output, the manufacture of aircraft in Canada is now confined to nine types, of which the Bolingbroke is one. A twin-engined reconnaissance bomber, the Bristol Bolingbroke requires several hundred man-hours to build, and costs in the neighborhood of $85,000. It has a maximum load of 1,000 pounds and can fly from Ottawa to Calgary without refueling.

A single tire of this plane contains as much rubber as an entire set of tires on a passenger automobile.

Today, Canada's aircraft industry occupies some 3,500,000 square feet of plant floor space. With an average monthly increase of more than 2,000 men and women, the industry has expanded its personnel forty times since the war began. These men and women come from the farms, from schools and domestic service, without any mechanical training, and must be taught to do the work they will ultimately perform.

EDITORIAL — Continued

(Continued from Page Six)

as the Kaiser before them made scraps of paper of international agreements and treaties between nations.

That we are again going to beat the nazis to their knees, as we did their predecessors, the Boche, goes without saying; but at tremendous cost to ourselves in blood and treasure, as it was in the last war.

Any further observance of Armistice Day, heretofore an American holiday, now celebrates the treachery of traitors, and I mean the Germans, not the Japanese. The Japs were on our side in the last war, though they did not do much fighting.

Your editor wrote Congressman Carter some months ago suggesting he introduce a bill in Congress to eliminate November 11 from our proud list of holidays: Thanksgiving to commemorate our God-fearing Pilgrim Fathers; 4th of July our first brave Independence Day; Lincoln's and Washington's birthdays, our heroic Presidents; Columbus Day for the discoverer of our Country; flag day to honor our beautiful National Colors; New Year's Day to feast on the new hope of the coming year, and Christmas of course, to celebrate the advent of that greatest man, Jesus.

Alongside all these holy-days where does Armistice Day belong? It only commemorates now the perfidy of traitors to Truth, Justice and Honor.

Your editor has had no reply from Congressman Carter.

GOOD NEWS TO EMPLOYERS

A release just received from Washington relates that "new internal revenue laws postpone the increase in the rates of tax imposed by the Federal Insurance Contribution Act by providing that THE ONE PER-CENT RATE SHALL REMAIN EFFECTIVE THROUGH THE CALENDAR YEAR 1943, and that the two persent rate shall apply to wages paid and received during the calendar years 1944 and 1945. Otherwise the increase would have been automatic on January 1, 1943."

So the Social Security tax rate will remain as it is at one percent each for employer and employee, instead of being doubled the first of the year.

Both employers and employes can be thankful for that! We now have enough other taxes to pay.

FRANK E. ROGERS, FORMER PUBLISHER ENLISTS IN NAVY

Washington Township readers of The Township Register will be interested to know that Frank E. Rogers former publisher of this newspaper, has suspended publication of his new newspaper, The Loyalton Times, way up in Sierra County, in order to enlist in the Navy.

A neighborhood newspaper will take over the subscription list of the suspended newspaper until Publisher Rogers returns from doing his bit to lick the Japs.

Mr. and Mrs. Rogers and their son lived in Niles until May, 1940 when Walter Waynflete bought out his interest in The Register. The Rogers returned to the high country where he established a new weekly paper more than a year and a half ago.

His friends here wish him good luck in his patriotic undertaking.

— Bloodonor —

Lieut. WALTER RUPP, son of Mr. and Mrs. Carl Ackerman of Centerville has left for a U.S. army camp in Oregon following a visit here. Rupp, who is an alumnae of Washington High recently returned from officers' training school in Virginia, where he was commissioned a Second Lieutenant in the Coast Artillery.

* * *

Corporal BUD EMERSON returned to Camp San Luis Obispo last week after enjoying a ten day furlough at his home in Centerville.

* * *

Pvt. SAM CORTEZ who was recently inducted into the Army is now stationed at Fort Lewis, Washington.

* * *

PHILIP BRAZIL of the U.S. Navy who has been stationed back east was transferred last week to the Alameda Navy Air Base.

* * *

MANUEL J. VARGUS left Warm Springs Friday morning with the contingent of draftees to serve with the armed forces of our country. Best wishes, Manuel.

* * *

Corp. VERNON ELLSWORTH, who is stationed in the Air Support Command headquarters at the Presidio of San Francisco is spending a 15 day furlough with his parents at Niles and with his married sister in Los Angeles.

* * *

Lieutenant KENNETH LARSEN, nephew of Mrs. John McDonald, visited at the McDonald home in Niles, on Thursday.

* * *

Mr. and Mrs. M. J. Amaral are happy over messages received from their eldest son LLOYD "somewhere with our armed forces in the Atlantic region". He is well and enclosed a fine picture of himself and five buddies as evidence of this fact.

* * *

We understand that JOSEPH CAMILLE Amaral, better known to us as "Bud" Amaral has been accepted in the U.S. Navy Air Corp. He does not expect to be called for a little while. Bud is a brother to Lloyd and son of Mr. and Mrs. M. J. Amaral of Main St. He has been prominent in local music circles, graduating from the local High School, class of 1940 and was leader of the band while there. He also attended San Jose State Teachers College for one year. The Navy has a fine new recruit in this young man. Congratulations and best wishes.

— Bloodonor —

Mr. and Mrs. John Brown have returned from Benecia, Mr. Brown has accepted employment in the steel company at Niles, while Caroline is employed at Rothlin's Restaurant. We are glad to welcome this family back to our community.

We wish to congratulate Perry Allan of Irvington on his election to the office of vice president of the graduating class of Washington Union High School.

Mrs. Carl Christensen has been appointed chairman for Irvington of the Blood Procurement Center to replace Mrs. Tom Power who resigned due to her change of residence.

Mr. and Mrs. Tommy Pugmire announce the birth of a son on Monday at the Alameda Hospital.

ATTEND LEGION BENEFIT MIDNIGHT SHOW SATURDAY!

LEGION HEARS ABOUT BLOOD PROCUREMENT PLAN

Mrs. W. L. McWhirter and Mrs. Marston Dassel were present at the regular monthly meeting of Washington Township Post American Legion, held on Wednesday night of last week to present the Township's blood procurement program.

The mobile unit comes to the Memorial building in Niles this Friday for its first monthly visit and 100 persons will be bled of a pnt of blood during the day. The operation takes just one hour, the actual blood letting, six minutes from a man and 13 minutes from a woman.

Bloodonors may sign up at any time with their community chairmen, usually at the postoffices and banks and they will be notified by potscard exactly when and where to report.

The mobile unit staff takes a pint of blood from nine donors every 20 minutes, Mrs. McWhirter said. Sam Scott was appointed chairman of a Legion committee to prepare the auditorium for use as a temporary "hospital."

Comrade Kitchen was welcomed into membership, and an address on his attendance at Boys State in Sacramento last June was given by Ernest Machado of Newark.

J. L. Furtado reported on the Sons of Legion Squadron, saying that, with the older sons going into service the younger members of the Squadron needed new leaders.

Walter Waynflete reported on the Legion's and Auxiliary's benefit midnight show which will take place at the Niles Theatre at the close of the regular show on Saturday night, November 7. Tickets were passed out to Commander A. A. Hallstrom who distributed them to the members present. They are now on sale at 55c each.

(Left to right) Charles P. Skouras, President of Fox-West Coast Theatre, Jack Berman, representing the independent theatre owners, and (seated) Leon E. Happell, California State Commander of The American Legion, following their conference on plans for midnight shows in 300 California theatres on Saturday night, November 7.

Washington Township is participating in this statewide program when a special show goes on at the Niles Theatre after midnight this coming Saturday. Tickets at only 55c are now on sale, there and elsewhere.

The Legion's and Auxiliary's big benefit midnight show at the Niles Theatre goes on this Saturday shortly after midnight, with a fine feature picture and several short subjects being provided by the Fox-West Coast theatres.

The admission is 50c per person with 5c tax and every penny of the proceeds will go towards the Legion's vast rehablilitation and child welfare program. This war is producing many new wounded soldiers and sailors in our government hospitals in California and all this money is to be used for their welfare and comfort and for aid to children left half orphaned by the deaths of their fathers.

There is no more worth-while cause for which any public spirited citizen can contribute but a half dollar, whether he or she attends the fine show or not. The use of the theatre has been kindly donated by Manager W. J. Helm and Legion men and women will staff the theatre after the regular show ends.

The show at Niles is being sponsored by the Washington Township Post of the American Legion, by its Women's Auxiliary; the Child Welfare club of Washington Township and has the commendation of the Niles Chamber of Commerce.

Women of the Auxiliary are in the lobby of the Niles Theatre each evening from whom tickets can be purchased. Every member of the Legion and Auxiliary has tickets, as have members of the Township Child Welfare Club.

Let's make it a sell-out for Saturday midnight, because Washington Township citizens "know how" to give to charity when they are called upon to do so. According to report there are 400 new blind veterans of this war spending sightless days in a new government hospital at Modesto. It is to give these and similar victims of this war cigarettes to smoke, fruit to eat, and something to do to pass their empty days that these benefit shows are being put on.

— Bloodonor —

SECOND WHIST PARTY ENJOYED MONDAY NIGHT AT NILES

Sixty four persons enjoyed the second night of play in the series of whist parties being given in the Niles Congregational Church Guildrooms on Monday evening.

Mrs. Marguerite Cadero emerged with high score for the evening and Miss Celeste Bunker second high. Al Corey had men's high score.

A beautiful cake donated by Mrs. A. B. Leask, realized $8.95 for the Church treasury. A. B. Leask was general chairman, assisted by Mrs. Nell Myers, Reverend D. Q. Grabill, Fred Duffie and his son Freddie, and Walter Waynflete.

The final party will be held next Tuesday night at 8 o'clock and the player who has the highest total score for the three nights of play will receive a $25 War Bond.

Fourteen prizes were awarded the highest scorers Monday evening, and numbers of individual awards will be made next Tuesday night. Single admission tickets may be had at the door. Come one, come all!

CHURCH PICK-UP DRIVE TO BE HELD SATURDAY

The men of the Niles Congregational Church are putting on a Victory Scrap Metal drive this Saturday afternoon for the benefit of the Church.

A couple of trucks will meet at The Township Register office at 1 o'clock with the men of the church and will make a number of pick-up calls to secure metal not picked up on former drives.

Some of the trustees with a light truck did some advance pick-up work Thsurday afternoon late and dumped their "take" on the pile in back of the Register building.

Any one who has a small jag of metal to contribute is asked to bring it to the lot in back of The Register by Saturday noon. Those having larger quantities to contribute are asked to telephone Mr. Waynflete at Niles 4414 and a truck will call on them this Saturday afternoon.

Niles now has accumulated about 40 tons and with the approach of fall rains Saturday's pick-up will probably be the last in this district until spring brings good weather again.

— Bloodonor —

GRADUATING CLASS ELECTS OFFICERS

CENTERVILLE — Officers of the graduating class of the Washington Union High School have been elected as follows: Ed Costa, president; Perry Allan, vice-president, Lorraine Alameda, secretary, Gloria Silva, treasurer; Ken Hallen, yell leader; Ed Brazil, student council representative; Geraldine Bettencourt, editor of the annual, and Elaine Lewis and Geraldine Goularte, representatives to the Girls' League.

MEN'S CLUB DINNER

The first fall dinner meeting (and possibly the last?) of the Men's Club of Washington Township will be held this Friday evening commencing at 6:30 o'clock in the Guildrooms of the Niles Congregational Church. Members and guests are invited. The ladies of the Guild are preparing and serving the repast. An address will be given on the Far Eastern situation in the Philippines.

Comrade Jack Vieux, chairman of the Armistice Day football game committee said he did not expect the Legion would participate in the annual Armistice Day football game this year because of pressure of civilian pursuits and defense work. Also that Armistice Day falls on Wednesday a weekday on which everyone must work to promote the war effort. He was granted permission to cancel the Legion's participation if the committee, upon investigation found it advsable to do so because of existting conditions.

(Editor's note: the annual football game between Washington and Livermore high school will be played next Wednesday afternoon on the Centerville gridiron, but the Legion will not participate this year. Football fans who have the time and inclination are cordially invited to attend the game in the interests of he Township's Union High School.)

— Bloodonor —

NILES CHAMBER ENTERTAINS NINE NAVAL OFFICERS

H. F. Gray, engineer with the Alameda County Mosquito Abatement district took nine naval officers on a tour of inspection of the mosquito district on Monday.

Mr. Gray, the nine officers and Roland Bendel lunched Monday noon with the Niles Chamer of Commerce at the City of Florence Restaurant. Corporal Vernon Ellsworth of the Presidio of San Francisco was a guest of his father, E. A. Ellsworth.

There were 23 persons present at the luncheon. The President, Dr. T. C. Wilson welcomed the uniformed visitors and the meeting adjourned without transacting any business.

BUY MORE WAR STAMPS and BONDS TODAY...

IMPORTANT

WAR WORK

THE DAYS of Dad and his easy chair, pipe and slippers are gone for the duration. He is part of the home team and idle hours are few. He may grumble a bit that Monday is washday, Tuesday is ironing, Wednesday is dusting, Thursday is window-washing, Friday is vacuum cleaning, Saturday is scrubbing floors. He may grunt a bit and complain but he'll pitch-in and help. Keeping a home and its furnishings in good condition and repair is important war work. With household help very scarce or unobtainable, a heavy burden of work is going to be placed on household appliances. Use these appliances normally but keep them cleaned and oiled and in good repair. Have them checked and fixed-up at the first sign of trouble. There is an authorized appliance repair dealer in your community who will keep your mechanical servants Duration-fit with timely repair. Call him in now. Don't need him.

Friendly teamwork on party lines

Party lines today are providing telephone service to thousands of people who otherwise might have to do without—due to shortages in vital telephone materials that have "gone to war."

With teamwork, party line sharers can greatly assist each other and help keep the lines clear for our country's war effort. It helps a lot if you continue to:

Make only essential calls.
Be brief.
Answer promptly.

Your fine co-operation is appreciated.
